FRIDAY APRIL 30th 1943

NUMBER 2

## Good Crowd at Victory Rally

Despite the rain, storm the Opera House was filled for the Victory Loan Rally Wednesday evening. Seats were all taken in the hall, on the sides and people were standing at the back.

The Air Force Band from Macleod led off with a number or two, and then Lee Brewerton on behalf of the local Committee welcomed everyone and stressed the need for everyone to do their utmost to reach the present objective which is nearly twice the total of the last loan, viz. \$1,070,000. He then introduced Ernie McFarland, Public Relations member of the Southern Alberta district and the man in charge of the Road Show.

Ernie spoke briefly and expressed his appreciation at being able to bring the group here again and explained the various ways of purchasing bonds, and their interest yielding benefits to purchasers. He then introduced LAC Lloyd Cooper as Master of Ceremonies.

The Band played a couple of special selections & then Sergt. Jock Sheath took over for a few minutes of joking and punning, followed by vocal selections by Miss Leone Marshall.

Able Seaman Ritson-Bennett then held his audience with his account of the torpedoing and sinking of the Corvette Louisburg, which was sunk by enemy action in the Mediterranean. His account of the aerial attack just at sundown, the impact of the torpedo, his being knocked out and his coming to just as the ship was being abandoned; their experiences floating in the sea waiting for rescue, and their watching the sinking of the ensign of their ship made a gripping story. Said the speaker, "the sinking was not defeat, it was the price we had to pay to get a convoy of badly needed supplies to Africa. Today, Canadian crew members of the Louisburg are lying in Algiers hospital, recovering, 42 are buried in Algerian soil, where I helped bury them. We need support for this Loan to the limit. We want another ship Louisburg and another crew of your sons. Brothers and fathers, to go on to the scene of action and avenge the sinking of the first Louisburg".

LAC Lloyd Cooper entertained them with two piano solos and two encores, the band played another selection, and then Sergt. Sheath sang a couple of numbers and some encores, and assisted Cooper and another lady of the group in a comic skit.

Ernie McFarland closed the program with a few words of appreciation and exhortation to buy more bonds and the band played "The King".

## Sacrifice

The name "Dieppe" resounds today,  
A stirring battle call  
Of men who counted not the cost,  
Of men who gave their all!

The out-matched crew of the "Raccoon"  
Fought till their ship went down:  
And our sons and brothers on  
The corvette "Charlottetown"!

The grim destroyer "Ottawa"  
Gave all she had to give  
Her gallant skipper, half her crew,  
They died that we might live!

Each day adds to the mounting roll  
Of flying heroes, who  
Have met their rendezvous with death  
That freedom shall win through!

Oh, how can we in safety here  
Count pennies or upbraid:  
What is our sacrifice compared  
With that these men have made?

G. R. Allerton.

## J. Miller Going To Picture Butte

Jack Miller, chief assistant engineer at the Raymond Sugar Factory for seven or eight years past, and with the Company for about thirteen or fourteen years, has been transferred to the Picture Butte Factory as Chief Engineer and is leaving for his new position today. P. H. Warr, who has been assisting Jack Simpson in Picture Butte since last fall is coming here as assistant to Chief Engineer Lowell Duncombe.

Jack Simpson's health is such that he is unable to carry on as Chief Engineer and he is being transferred to other work and Jack Miller will be in charge of the mechanical end of the Picture Butte Factory.

Mr. and Mrs. Miller have been active and ardent workers in a community way in Raymond, Mrs. Miller being especially active in Red Cross and Institute work, while Jack was instrumental in organizing the Factory Credit Union and has also been a leader in the First Aid work, besides being very well liked by all the men at their many friends in wishing the Factory. We join with them happiness and success in their new home, and extend a hearty welcome to Percy Warr in his new work.

### DO YOUR PART

Next Monday the fourth Victory Loan will enter its second week. To see the local quota filled we will all have to do more than we have ever done before. Our quota this time is nearly double that of six months ago, and to raise the \$107,000 we will all have to buy, and buy and buy. We can't let the boys down. We can't let our Government down, we can't fail and let the enemies of freedom get the idea that we are a people divided against ourselves.

There should be no hesitation

about turning our savings into Victory Bonds. While the savings account will earn 1 or 1½ per cent, our Bonds will earn three. The banks are no safer than the Government as protectors of our savings, for the banks get their strength from the strength of the government. Why then should there be any hesitation about converting a good share of our savings into Victory Bonds and put the loan over.

Then too, each week we see some of our boys or girls joining the forces. Are we going to fail in our quota and let these young people think for even a second that we do not appreciate the sacrifice they are making. Would you rather see democracy fail in its mission than to dig down and put your dollars on the line for Victory? Would you prefer to let your money stay in the bank and then have it confiscated by aggressors than to invest it willingly and freely in the best investment we can ever make to preserve the four freedoms, the government of our country and at a good rate of interest?

Wake up Raymond. Let us put this loan over aggressively and conclusively, and show all and sundry that we do appreciate freedom and the things that go with it.

### MRS. J. MILLER HONORED

The W. I. met at the home of Mrs. Thos Allan on Monday afternoon to honor Mrs. J. Miller, who leaves on Friday for her new home in Picture Butte. Mrs. Bud Andrews, of Vulcan was a special guest. The afternoon was spent in playing Court Whist. Mrs. C. Rolfsen having high score, and Mrs. P. Hall receiving the consolation prize. After lunch was served, the Pres. Mrs. Lamb presented Mrs. Miller with a shower of handkerchiefs from the assembled guests.

The best wishes of the Institute ladies go with Mrs. Miller to her new home in Picture Butte, and we are sure that our loss will be the distinct gain of the people of Picture Butte community.

# A profession of faith

**W**e have faith in Canada  
**W**e have faith in her past. Faith that the courage of the pioneers and the spirit which achieved Confederation and linked a continent with the shining steel of railways have laid strong foundations for national greatness and unity.

**W**e have faith in her present. Faith in the part she is playing to save the world from tyranny... in her young men and women who serve on land and sea and in the air... in her workers who labour for more than wages... in every man and woman and child striving for Victory.

**W**e have faith in her future. Believing that she is destined to exert an ever-increasing influence in world affairs, and in the shaping of tomorrow, when many will turn to her with new hope.

**W**e have faith in more than the statistics of Canada's bank clearings and her car-loadings, the vastness of

her untapped resources, or even the glorious war record of a people numbering less than twelve millions.

**W**e have faith in a land we love, whose soul speaks to us from every free acre of Canadian soil... in the splendour of the Rockies at sunset, the blue mystery of a Laurentian dawn, the quiet of an Ontario woodlot, the far call of prairie horizons, the sound of surf on the Atlantic shore and the wash of the Pacific tides. It speaks to us from churchyards where Canadian dead lie beneath the tribute of English blossoms... from the poppyed fields of France and Flanders... from the winged and sea-faring and mechanized epics of a new war.

**W**e have faith in her people... people, noted and obscure, with whom we daily rub shoulders... and by whose united effort, sacrifice and creative vigour the greater Canada of tomorrow will be built.

**W**e have faith in Canada

### WHAT IS A VICTORY BOND?

A VICTORY BOND is the promise of the Dominion of Canada to repay in cash the full face value of the Bond at the time stipulated, with half-yearly interest at the rate of 3% per annum until maturity. A Victory Bond is the safest investment in Canada. The entire resources of the Dominion stand behind it. Canada has been issuing bonds for 75 years, and has never failed to pay every dollar of principal and interest. A Victory Bond is an asset more readily converted into cash than any other security.
